Thank you for your order!

Hello Nicole,

Order #5735 has been placed!

We are requesting a Measurement Form, Tracing, & Photos from you, as it looks like we do not have a template on file for your specific type of instrument. Your order will continue to be on hold until we have these items from you. Once we have received these, it typically takes no more than 5-7 business days to approve your order for production.

We want your case to be the best fitting case you have experienced. We have allocated these verification periods to ensure you will be happy with your case and fit.
