Thank you for your order!

Hello Nichole,

Order #8361 has been placed!

We are requesting a Measurement Form, Tracing, & Photos from you, as it looks like we do not have a template on file for your specific type of instrument. Your order will continue to be on hold until we have these items from you. Once we have received these, it typically takes no more than 5-7 business days to approve your order for production.

We want your case to be the best fitting case you have experienced. We have allocated these verification periods to ensure you will be happy with your case and fit.

Visit [here](#) to get instructions on submitting measurements for your instrument! Please let us know if you have any questions or concerns and thanks for your order!

Please take a moment to confirm these order details are correct:

Can I bring it in for measurements when I pick up the other case (I'm guessing that's it's pretty close to done?)

Thanks!
